Europe's most popular EAS accessories at the best possible price.

Smart Alarming Tag

A small device with big impact. The Smart Alarming Tag comes in both AM and RF frequency and is equipped with 2-alarm technology; 1) it will generate an alarm by the loss prevention system installed at the store exit when its passing the detection field and 2) it will give a loud alarm when the cable is cut.

The Smart Alarming Tag is available with a 120mm and 1230mm coated lanyard.
